

Mommy and Me

A dance class designed for boys & girls ages 2-3 and their moms (or dads)!

A 4-Week Program

Mommy and Me is a fun class that allows the two (must be 2 by September 30) or three year old to develop their gross motor skills through an introduction to the joy of dance and imagination, while experiencing a special time with Mommy or Daddy. Each child also progresses in their understanding of moving together with others as a group, polite manners, and slowly learning to do things separate from Mommy/Daddy, even though she/he is nearby.
